

Foreign Nations Begin To Buy Gold From U.S.

Think U.S. May Cut Dollar Value

Washington, Nov. 5—AP—Gold is flowing out of the United States after pouring in from foreign countries for 15 years without interruption except in wartime.

Officials said today that foreign countries, in a reversal of the longtime trend, have bought enough gold from the great U. S. monetary stocks to cut them down a \$118,000,000 fraction in seven weeks.

A mass of rumors that the U. S. will devalue the dollar, persisting doggedly in the face of repeated and emphatic top-level government denials, appears to have had a big part in the trend shift, although other more normal reasons figured in it too.

Swap Dollars For Gold
Some foreign countries, having some U. S. dollars on hand that are not immediately needed, have elected to swap them for gold on the theory, officials surmise, that the rumors might possibly have some merit.

In that case, they would profit if gold they bought now from the U. S. at \$35 an ounce, plus a handling charge, could be sold back to the U. S. later for a higher figure.

U. S. officials, discussing the situation only on condition that they not be identified, contended the foreign countries taking this view would be smarter now to heed Secretary of the Treasury Snyder's devaluation denials.

The treasury charges 1 of one percent for "handling" on either its sales or purchases of gold. That alone is nearly 9 cents per ounce of gold. Boat or air shipments and insurance cost more.

These cost items can run to sizeable sums on transactions involving exchange of millions of dollars for gold. And foreign countries can lose on that by hiding a wrong rumor, officials note.

On the other hand, they acknowledge that countries really impressed by the rumors aren't likely to stop buying gold because of those costs. The buyers will, instead, figure them as "insurance" costs.

U. S. officials stress that foreign purchases of gold from the U. S. have been on a "modest" scale so far, unaccompanied by "nervousness" that should be apparent if devaluation expectations were strong.

Secretary Snyder, chief money man in the government, has said flatly that congress alone has power to devalue the dollar, and that the Truman administration has no intention of asking it to do so.

Begin Selecting Actors In Famous Reich Passion Play

Frankfurt, Nov. 5—(AP)—Should a former Nazi act the part of Christ in the world-famous Oberammergau Passion Play next year?

The 4,000 natives of the snow-decked village tucked amid the Bavarian Alps debated this question today with brotherly, but heated, fervor. Next Tuesday, an election committee of native Oberammergau villagers will make the decision.

Alois Lang, 56-year-old, former Nazi sympathizer, and three younger men are up for consideration, but the choice for the leading role in the great religious drama may depend more on the acting ability and endurance of the rivals than on their political record.

The selection of the cast of 102 performers and almost 4,000 secondary parts for the tragedy of Christ, trial and crucifixion will take two days.

Rehearsals will start soon after for the 1950 performance of the play which attracts thousands of visitors from all over the world.

The performance, falling in holy year, is the first since 1934.

The Passion Play dates from 1633 when, an old chronicler says, the village of Oberammergau was stricken by the plague. Eighty-four of the village's 600 inhabitants went to their graves.

The village elders swore to perform the tragedy of the Passion every 10 years.

The pledge has been carried out for 300 years, with only two interruptions—the first and second World Wars.

Britain Sets Up West Indian Federation

London, Nov. 4—(AP)—Britain plans to set up a new, near-independent state between the two Americas—a west Indian federation of six Caribbean colonies and nearly 3,000,000 people.

The blueprint for this long-dreamed-of state is soon to be published by colonial secretary Arthur Creech Jones. It will then be debated by each of the colonies concerned.

The blueprint has been designed by a "closer association" committee of West Indians from each territory.

They have been working on it for two years.

West Indian colonial governors meet in Bridgetown, Barbados, on Monday to discuss the report. Lord Listowel minister for colonies, has flown to the Caribbean for the talks.

According to responsible informants, the committee report urges federation of Barbados, British Honduras, Jamaica, the Leeward Islands, Trinidad and the Windward Islands into a single state.

It wants the federation to have full internal self-government, a status just short of that of a dominion like Canada.

On matters except defense, some financial questions and foreign affairs, the new state would be virtually free.

American-leased military bases in the West Indies would remain unaffected by these plans.

Britain has been pressing her enthusiastic western hemisphere colonies towards federation for the past 20 years because most of the colonies are small, poor, often with conflicting economies and she thinks it impossible for them to maintain separate self-governments in the modern world.

On the other hand she thinks a community well over 2,500,000-strong in the Caribbean can hope to achieve full freedom and to play a part as nation in world affairs.

Most of the western hemisphere colonies lie with the tropical belt between North and South America. They seem on the map to be a geographical unit but distances between them are considerable.

New Radio Show Informs Public Of State Government
Springfield, Ill., Nov. 5—(AP)—A new series of monthly radio programs to inform the public on its state government begins tomorrow (Sunday).

The state's 13 code department directors will take turns describing activities of the governmental branches they head. Leonard Schwartz, conservation director, will start the parade over a 12-station network.

Following Schwartz, heads of these departments will be heard from: finance, welfare, agriculture, health, labor, insurance, registration and education, safety, revenue, public works, mines and minerals, and aeronautics.

The time of the transcribed broadcasts will vary station by station, with some airing them on the Monday or Tuesday after release. The programs will be prepared for the first Sunday of each month.

\$3,500 Offered For \$55,000 Mobile Crime Laboratory
Springfield, Ill., Nov. 5—(AP)—A number of persons and organizations are willing to put up from \$250 to \$3,500 for Illinois Mobile crime laboratory.

The \$55,000 armor-plated vehicle has been deteriorating in a state garage most of the time since its delivery seven years ago. The Illinois state police don't want it and started trying to sell it two months ago.

The ponderous vehicle has attracted bids from schools, a motorcycle club, institutions and individuals. The state will continue to receive bids until Dec. 15.

The vehicle has been stripped of all portable equipment and is being offered "as is."

Truck Hits Train But Driver Unhurt
Joliet, Ill., Nov. 5—(AP)—A truck driver folded up his big truck accordion fashion against the side of a train near here today. But the driver managed to climb out of the wreckage.

He is Richard Larsen, 23, of Joliet. Traveling on U. S. highway 30 from Aurora to Joliet, Larsen smashed his semi-trailer type truck into a three-car Elgin, Joliet, and Eastern railroad freight train.

The train is the only one of the day over the railroad's Rockdale branch. Engineer C. M. Gundlach stopped it in time to see Larsen climb out of the telescoped truck, unscathed except for some cuts on his nose and a bruised knee.

BRITISH SCIENTIST OUSTED FROM POST
London, Nov. 4—(AP)—The Council of the British Association for the Advancement of Science last night ousted Prof. John D. Bernal from his council post because of criticisms of capitalist-country scientists he had voiced in Moscow.

The council said it had asked Bernal to explain his remarks. His explanation was not satisfactory, the group said.

CIO Slows Down On Purge Of Red Leaders, Unions

Cleveland, Nov. 5—(AP)—The CIO slowed down its purge of left-wing unions today after hearings on pro-communist charges against ten unions and nine leaders.

The executive board, meeting to carry out the anti-leftist instructions of the convention which ended last night, set up committees to air the charges.

Between the convention and the board the CIO now has gone this far in ridding itself of a "small but noisy clique" which President Philip Murray said was harassing the CIO by adhering to Communist party programs:

1. Expelled the United Electrical Workers and Farm Equipment Workers, with about 476,000 members. It moved to grab off those members by creating a new right-wing union in the electric and radio field, under the guidance of rightist James B. Carey, and turned over farm equipment plant jurisdiction to Walter Reuther's Auto Workers.

2. Ruled that Ben Gold, head of the Fur and Leather Workers, could not serve on the executive board because he admits to being a member of the Communist party.

3. Gave the nine other left-wing union heads nominated to the executive board a chance to be heard by three committees on charges of pro-Communism.

4. Paved the way for ouster of the ten unions, accused of following Communist party policies rather than those of the CIO.

5. Voted that the CIO's top 11 officers now will sign the anti-Communist affidavits required by the Taft-Hartley Act—26 months after it went into effect—so that the CIO's industrial union councils can have access to the National Labor Relations Board.

Illinois News Briefs

Chicago, No. 5—(AP)—Two gunmen spotted an Alaskan husky asleep in the corner of a southside book store and warned the clerk:

"Don't wake that hound. If he gives us any trouble we'll shoot him."

But Miss Clarinda Buck, the clerk, said they spoke too loudly in ordering her to hand over \$50 and roused Gauchio.

But Gauchio wagged his tail as he walked over to the robbers and followed them to the door. The gunmen fled.

Decatur, Ill., Nov. 5—(AP)—John H. Gentry, 40, died this morning of burns suffered yesterday when his clothing caught fire as he was striking a match.

Decatur, Ill., Nov. 5—(AP)—William V. Baggett, 32, of Decatur, suffered a skull fracture this morning when his car was struck by an Illinois terminal railroad train. His condition was reported as fair at St. Mary's hospital.

Harrisburg, Ill., Nov. 5—(AP)—Otis Smith, 62, was found shot to death at his home here today.

Police said they were holding a suspect but that no charge had been filed. They said Smith had been scheduled to face trial in Saline county court Nov. 14 on a charge of possessing gambling paraphernalia.

Chicago, Nov. 5—(AP)—The Rock Island railroad announced rate reductions yesterday for shipments of iron and steel articles from the Chicago-Gary Ind., area to Peoria and the quad cities.

The new rate is based on an 80,000 pounds minimum and will be 25 cents per hundred pounds, effective Nov. 7. The price cut has been approved by the interstate commerce commission.

Weston, Ill., Nov. 5—(AP)—Mrs. Nellie Graves, 79, was struck and killed by a Toledo, Peoria and Western railroad freight train today.

Trainers said she apparently failed to see the train.

Relatives said Mrs. Graves suffered from poor eyesight.

Rock Island, Ill., Nov. 5—(AP)—Orville Hanchett, Peoria, today was elected president of the Illinois State Association of Hairdressers and cosmetologists. Others elected are: vice president, Mrs. Helen Randolph, Springfield; secretary, Mrs. Kay Helmer, Mt. Sterling; financial secretary, Miss Kathryn Beckman, Rockford; and treasurer, Frederick Ernst of Chicago.

Moline, Ill., Nov. 5—(AP)—C. E. Jakes, Elgin, Ill., today was elected president of the Illinois State Council, painting and decorating contractors of America at the council's 54th annual convention. R. W. Rummel, Peoria, and Arlie Longborg, Batavia, were elected vice presidents.

C. S. Jay of Aurora was named treasurer, and R. B. Clapp of Rockford, secretary.

FIREMAN REVIVE ROCKFORD SALESMAN
Chicago, Nov. 5—(AP)—Fireman revived a Rockford, Ill., salesman last night after he collapsed of a heart attack in his hotel room.

A hosier salesman, he is Charles Karl, 64, of Rockford. Firemen worked over him for 45 minutes. After being revived, he was put in care of a physician.

Say Government Sets Date For Action In Coal Strike

Infant Boy Disappears; Mother Says Strange Man Kidnapped Him

Utica, N.Y., Nov. 5—(AP)—An infant, mysteriously missing today, and his 29-year-old mother said she saw her sleeping son kidnapped by a strange man in dark clothes.

Six-week-old Stephen Komorek was snatched from his bassinette in the family kitchen late last night, Mrs. Henry Komorek told state police.

Ransom and sexual perversion motives were ruled out by the investigators as they pressed an intensive hunt for the babe.

Inspector E. J. Dougherty who said police were working on meager clues, declared: "We are working in hopes of finding the child alive."

There has been no trace of the infant since his mother said she saw a man carrying him from their home in nearby Clayville.

She said the man, whom she chased in her bare feet, jumped into an automobile and sped off with the infant.

Dougherty said the search for the baby was being concentrated in the neighborhood of the Komorek home. Dougherty said the federal bureau work of investigation had not been asked.

Accounts Of Riot At Detroit Prep Game Conflicting

Detroit, Nov. 5—(AP)—Conflicting accounts made it impossible today to fix blame in the riot which broke up a high school football game Friday night, police said.

As a result of the fighting, two persons were in hospitals with serious knife wounds.

More than 1,000 fans joined in the melee. It started when a Negro player and a white player began slugging each other on the gridiron.

Afterwards, a Negro man and his wife told police they were attacked by about four knife-wielding white youths outside the stadium.

Melvindale police denied there was any racial aspect to the rioting. However, the Melvindale team was all white while there were seven Negroes on the starting lineup for River Rouge high school. They played in Melvindale, an all-white community.

Main cause of the outburst of temper was the hot rivalry between the schools, witnesses said. They were both unbeaten and the league championship was at stake.

Says It Unsanitary To Kiss Blarney Stone; Irish Yell
San Francisco, Nov. 5—(AP)—City health director J. C. Geiger asserted that it's unsanitary to kiss the Blarney stone and he stirred up a bit of a tempest today.

A 15-pound chunk of the famed stone has been flown here from Ireland for a three-day Catholic festival. It will cost 25 cents to kiss the stone—a trifling, say the sponsors, for the gift of eloquence it is supposed to convey.

Dr. Geiger took note of the layers of germs which must have been planted on the stone over the centuries, but the sponsors got their Irish up.

"This sacred stone has been kissed ever since the year 1466 with no noticeable effect save the eloquence it gave," said Con Lynch, president of the United Irish societies.

Dr. Geiger Theruppon passed a sterile swab over the face of the stone to determine the caliber of germs thereupon. The findings will be made later.

Curley Faces Stiff Challenge In Bid For Fifth Term
Boston, Nov. 5—(AP)—Mayor James M. Curley—a political boss who lives the limelight—faces a stiff challenge in his bid for a fifth term, virtually on the eve of his 55th birthday.

With the election only three days off, the veteran Curley still shapes in the eyes of politicians as the man to beat in a field of five. But he admittedly is in a fight.

There's only one issue in the campaign—"Curleyism."

Curley says it's good for Boston; his four opponents claim it's bad. It's a non-partisan election, with no primary.

Chief challenger appears to be City Clerk John B. Hynes, who sat in as "acting mayor" for five months in 1947 when Curley went to a federal penitentiary for mail fraud.

Curley himself is looking forward to the Nov. 8 election for vindication from the voters—shouting he was convicted though innocent of any wrong-doing in connection with a firm set up to obtain war contracts for clients.

Hints Of Use Of T-H Law To End Strike

Washington, Nov. 5—AP—The government was reported tonight to have set a deadline roughly one week from now for decisive action to end the soft coal strike.

In the steel strike there were some setbacks, but developments of high promise affecting five large and small steel companies buoyed hopes of an early, negotiated peace with CIO's united steelworkers.

Republic Steel Co., the country's third biggest, had a settlement offer pending. Jones & Laughlin scheduled peace talks for Monday; Youngstown Sheet and Tube for Tuesday. Two smaller firms signed up—Lukens Steel Co., 5,000 workers, and McLouth Steel Corp., Detroit, 1,800 workers.

But even if more steel firms sign contracts, most of them can run only a few weeks without fresh coal supplies. And it was learned reliably that neither mine chieftain John L. Lewis, in yesterday's secret mediation talk, nor the coal mine owners now heading for Washington, have yielded ground.

A high administration official gave this report privately:

"If mediation cannot bring some results this week, it's the last try. 'We will have to try some other treatment.'"

This coincided with hints from White House sources that President Truman is being urged by some advisers to call for a Taft-Hartley Act injunction to send Lewis' 380,000 United Mine Workers back to the coal pits.

Nine days ago Mr. Truman said no national emergency exists which warrants Taft-Hartley action. His associates still are not agreed that he should use the act which labor hates and the Democratic party has promised to repeal.

But the decision may be hastened by the present onset of cold weather in many areas, widespread reports of hardship, and rising unemployment in industries dependent on coal.

Cyrus S. Ching, federal mediation service director, has promised to pursue a settlement "as long as there is any use." This seemed to mean that if he fails to win a bargained settlement, the next step is Mr. Truman's.

Southern coal operators will meet here Monday (1:30 p.m., C.S.T.) with Ching. The mediator may issue a call to northern operators on Tuesday, and later arrange a joint North-South conference.

So far, Ching has no plans to bring Lewis and the operators face to face. He conferred secretly with Lewis yesterday for two hours. Though there was no hint of a change in Lewis' position, Ching told reporters the talk with the United Mine Workers president was "pleasant and constructive."

Dr. Walter Baer Named Hospital Superintendent
Springfield, Ill., Nov. 5—(AP)—Dr. Walter H. Baer, 46, of Peoria, former Manteno State Hospital superintendent, has been named Peoria State Hospital superintendent effective next Monday.

Fred K. Hoehler, state public welfare director, announced the appointment today. Baer succeeds Dr. Richard J. Graff, who is being transferred to the superintendency of the department's Galesburg State Research Hospital.

Baer resigned as head of the Manteno hospital in October, 1947, to enter private practice in Peoria. He is medical director of the Peoria Mental Hygiene Clinic, a community project, and a graduate of the University of Illinois.

Auto Leaves Road, Hits Tree; 1 Dead
Kenosha, Wis., Nov. 5—(AP)—James M. Krznarich, 18, of (1911 W. 23 St.) Chicago was killed today when his automobile left a county highway and hit a tree.

A passenger, Delphone Nevinsky, 17, also of Chicago (5428 S. Rutherford) suffered minor injuries. Sheriff's deputies said Miss Nevinsky told them, "Jimmy was trying to adjust the visor to keep the sun out of his eyes and that's all I remember."

Gives Kindling To People Who Can't Get Coal
Joliet, Ill., Nov. 5—(AP)—Two tons of kindling wood which were dumped on the lawn of a householder who uses gas heat ended up today where they'll do some good.

Paul Holmstrom, who got the shipment by mistake, received a phone call from Peter Holmquist who had ordered the wood. Holmstrom told Holmquist there had been several other calls—from people who couldn't get any coal with which to heat their homes.

So, Holmquist, who said his need for the wood was not acute, called one of the fuelless families and told them to go over to Holmstrom's and take the wood—as a gift.

Male Alcoholics Outnumber Women 6-1 In Illinois
Springfield, Ill., Nov. 5—(AP)—Male alcoholics admitted to Illinois State Mental hospitals outnumbered women six to one last year, Dr. George A. Wiltrakis of the state welfare department said today.

He said a department survey also showed that the rate of alcoholism was higher among high school and college-trained patients than among those with less schooling.

A total of 2,800 patients were admitted to mental institutions because of alcoholism in 1948 and only one third of these were suffering from mental affliction.

Many of them received treatment, improved or recovered, and were discharged, Dr. Wiltrakis said.

Agencies of patients ranged from 17 to 85 with most in the 40-60 bracket. Admissions of single women were very low compared to those in the married or divorced or separated groups. Among men, marriage or bachelorhood was a negligible factor. Survey findings are published in the current issue of the Illinois Medical Journal.

PROGRESSIVE SCHOOL FOUNDER DIES

Orlando, Fla., Nov. 5—(AP)—Miss Bertha M. Bentley, 76, pioneer progressive school founder, died here yesterday.

She founded what later became the Bentley school in New York, rearing as director four years ago. Since then, Miss Bentley had been living in Alto, Mich. She was vacationing here.

She taught at one time in Macomb, Ill.

Says Maneuvers Of B-25 May Have Confused Bolivian
Washington, Nov. 5—(AP)—Government investigators today were checking the possibility that the maneuvers of a U. S. Air Force bomber might have had some bearing on the disastrous crash of an airliner and a Bolivian fighter plane here Tuesday.

Fifty-five persons were killed in the crash, the worst in airplane history.

Col. S. D. Grubbs, commanding officer of the headquarters command at Bolling Field, military base across the Potomac river from the scene of the accident, conceded it was possible that the Bolivian pilot might have been confused by movements of a B-25 bomber which made a simulated landing some minutes before the mid-air collision.

"But I seriously doubt it," he added.

Lieut. Ray H. Deem, Jr., pilot of the B-25, said:

"We did not see any aircraft flying around the immediate vicinity of National airport when we made our simulated landing."

Bolling Field is across the river from National airport. The accident occurred about half a mile south of national, which handles all air lines serving the capital.

Officials at Bolling Field said that Deem, accompanied by two other officers in the medium bomber, got permission from National airport to simulate an approach to that field.

Stevenson Lauds Program To Help Hard Up Farmers

Springfield, Ill., Nov. 5—(AP)—A Federal program to help hard up farmers improve necessary buildings was hailed by Governor Stevenson today as a valuable tool for "strengthening our weaker farm units."

Stevenson said in a statement that the program, embodied in the federal housing act of 1949, opened the way for advances in the "health, well-being and efficiency of our rural population."

Under the act, farmers unable to obtain funds elsewhere may apply to the farmers home administration for loans to finance repair or replacement of essential buildings.

The loans, repayable with four per cent interest in from 5 to 33 years, are limited to \$1,000 for minor repairs. No state money is involved in the program.

Freed Prisoner Dies Of Cancer In Prison Hospital
Joliet, Ill., Nov. 5—(AP)—The pain of Alex Rhode's life is over but the warmth of human kindness which helped him through his last hours lingers in his stone-walled abode.

Rhode, 73, died Friday night of cancer in the Joliet prison hospital. Technically he ceased to be a prisoner at midnight, Oct. 8. His term of 10 years for larceny expired then.

But he was dying, and though he talked wistfully of going to an "outside" hospital, prison officials and his fellow inmates persuaded him to remain.

Rhode knew his plight. His eyes sought the hospital ward window often. "I'm slipping every day I'm here," he remarked once.

Today, Warden Joseph E. Ragen told something of what happened after Rhode decided to remain in prison while his life ebbed. Rhode, who had spent 42 years in prison—more than half of his life—willed the \$600 he had accumulated from work around the prison to the Guardian Angel orphanage in Joliet.

The story of the man who thought his only friends were on the "inside" and the fatal illness that kept the penitentiary doors closed for him was widely printed in the nation's newspapers and told before radio microphones.

Within a few days, bundles of letters began coming to the dying man. He read them, sometimes smiling, sometimes moved to tears. But the flood of letters swelled, and Rhode grew weaker. His resolve to answer everyone was overcome.

ADVICE FROM A NEWSMAN

All the pronouncements of all the frock-coated diplomats on both sides of the Atlantic regarding the plight of England and what should be done about it, don't make as much sense as these five points laid down by William H. Stoneman of the Chicago Daily News foreign service, jotted down at random as he was catching a boat for France:

1. Trim the budget by stopping the construction of big warships and junking others, and by concentrating on anti-submarine craft. Don't waste money on big atomic projects, because if there is war the British will get the bombs from the U. S., anyway.
2. Quit trying to sell pint-sized cars to the U. S. and concentrate on tweeds and other high-grade goods made cheaply in Britain.
3. Eat more fish. Why is it that Britishers never eat anything but fresh fish in Paris and never eat it at home?
4. Work harder to overcome technical backwardness, but don't expect to approach U. S. prosperity. Britain is too crowded.
5. Don't let them get you down. Britain and its people are still as good as they come.

HEAVY TRAFFIC POSES PROBLEM; STATES TURN TO TOLL HIGHWAYS

This is the greatest production year in the history of the automobile industry. In less than 10 months the motor makers have turned out 5,359,000 cars and trucks, smashing the 20-year record established in booming 1929.

The new peak was achieved despite numerous work stoppages. A shutdown forced by the current steel and coal strikes could not spoil the record, although some experts predict the factories will lose easily a month's output through depletion of their steel stocks.

The best guess now is that final 1949 production figures will range close to 5,800,000 units. And this huge output must somehow be accommodated by already congested highways and parking facilities throughout the country.

What curve production will follow in the years ahead no one can tell for sure, of course. But Summer Slichter, veteran economist, forecasts in the current Atlantic Monthly that by 1980 there will be two cars for every family in the United States. That would put the automobile population somewhere above 80,000,000, as compared with the present 41,000,000.

Even if only half this gain is realized, it will place burdens upon the nation's road network that will make today's traffic difficulties look like child's play. Some time soon the country is going to have to come to grips with this prospect in a far more realistic fashion than it has ever exhibited to date.

As Fortune Magazine points out in its November issue, the improvements made in our highway system since the war ended have put it back about where it was in 1933—in terms of general condition and adequacy. We still have the 1933-1949 lag to make up before we start keeping pace with current advances in traffic volume.

As traffic mounts and population multiplies in our big cities, the cost of highway development becomes staggering. Every evidence indicates that normal sources of revenue will fall way short of meeting the needs of a sound system.

Either the nation must be prepared to face a stiff addition to its general tax bill or it must accept broader use of toll highways to get the required expansion.

Government officials frown on toll roads as wasteful, duplicating, and an extra tax burden on motorists. But state after state is turning to them for the answer to the pressing traffic puzzle. Tolls seem easier to impose than new general levies.

The outlook is no brighter when it comes to parking facilities. Cars by the thousands converge every day on the downtown areas of giant centers like New York, Chicago and Los Angeles. The flow in and out resembles the Sunday crawl that has long plagued holiday drivers. But the worst problem is that too often there is no place to put the car once you get it downtown.

A few cities have developed big underground garages as partial solutions. Someone recently suggested the ultimate dilemma to which we may some day come in this jam-packed automobile age: a man will buy a car in a downtown showroom and find that he can't get it onto the street to drive home.

Morgan County Will Elect Commissioner, Justices, Constables

An election which has not been ballyhooped with the full-scale fervor of state or national contests, but which has a direct bearing on county government, will occupy attention of Morgan county voters Tuesday, Nov. 8.

Two well known citizens, Walter Fearnheyhough, Republican, and Virgil Wegehoff, Democrat, are the opposing candidates for the office of commissioner. Mr. Fearnheyhough is at present chairman of the three-man board.

During his campaign Commissioner Fearnheyhough, a resident of the Lynnville community, has pointed to his record of economy in the administration of county affairs as a reason for his reelection.

Mr. Wegehoff, a resident of Concord precinct, has presented his qualifications as a business man, stating that he believes he can handle the job to the satisfaction of the general public.

Justices of the peace and constables will be elected throughout the county.

In Jacksonville the candidates for justices of the peace on the Republican ticket are Paul F. Hapke and Patrick H. Lonergan; for constable, Edward Goodey, J. W. Hankins and Harold R. Wilson.

Democratic candidates for justice of the peace are C. S. Smith and George Creighton, whose names appear on the ballot, and Otto H. Niemann is a write-in candidate. Niemann is a write-in candidate for constable on the Democratic ticket. He is Frank Ham and Richard Vasey.

Students Elect New Officers For School Book Club

Officers were elected by the Book club of Prairie Union Consolidated School District No. 5. Those chosen were Myron Carpenter, president; Ronald Brodgon, vice president; Janet Brown, secretary; treasurer; and Edith Fairfield, reporter.

Roll call was answered by naming "A Favorite Fruit."

Book reports were given by Joann Hopper, Floyd Lomelino, Billy Carpenter, Norma Wohler, Ronald Brodgon, Rollin Martin, Ralph Wohler, and Myron Carpenter.

The group will hold its next meeting on Nov. 11.

The North Oakland Junior High students have organized a hobby club. The students are asked to bring souvenirs of various types representing different places, such as countries or states, which will be used to form a display.

North Oakland won its softball game against Concord by a score of 12-5.

Survey Of 45 Firms In Jacksonville Shows Gains In Employment

Jacksonville occupies a strong position in the economic picture as the holiday season approaches, despite several nationwide strikes and an employment slump in some sections of the country, according to a survey made by the Illinois State Employment Service.

Employment reports from 45 Jacksonville firms, employing approximately 75 per cent of the local workers, exclusive of governmental agencies, indicated a slight increase in employment here during October, as compared to September. This is in sharp contrast to some sections of the U. S. where employment rolls have been cut deeply.

Prepared under direction of L. N. Caldwell, manager of the Illinois State Employment Service, 211 E. Morgan street, the survey offered proof again that Jacksonville's economy is of a stable variety. In addition to workers employed by private enterprise, this city has approximately 1,500 governmental workers whose employment is not affected by seasonal lay-offs.

An increase of 16 persons on payrolls of 45 Jacksonville firms was reported in October, compared to the previous month. In 1948 there was a drop of 36 employees in the same firms for the same month.

"Stable Since September"
While unemployment has remained comparatively stable since mid-September, a considerable drop was experienced just prior to that time. Mr. Caldwell stated in his report, "Several factors were responsible for this drop. Call-backs by former employers of employees laid off temporarily; students returning to school; seasonal increase in agriculture; and the local loop paying project combine to increase employment possibilities. While the daily unemployment level varies there are approximately 240 unemployed persons at the present time, one-fourth of which are female."

More Jobs In Sight
After giving a breakdown of ages of the unemployed persons now registered here, the report continues: "The 45 reporting firms in Jacksonville estimate that they will need approximately 116 more workers by Dec. 10. A breakdown of this figure reveals an increase of 132 in non-manufacturing industries, many of these will be temporary and approximately 46 per cent will be female workers. All but five of these increases are anticipated in retail trade establishments."

Svelte Calves Flatter Woman

BY ALICIA HART

The trim, svelte legs of a mature woman may not provoke whistles of approval from the crowd, but they'll give her the boost toward the look of youth and well-being that she wants.

It takes work to slim heavy legs at any time. During middle years such a workout may need to be intensified. As a woman lessens her round of activity, calf muscles, even slimmer, thicken for lack of exercise and stiffness seems to set in for much the same reason.

Localized exercises are easy, even for the older woman, and will reward her with prettier legs.

One exercise designed for slimming ankles: Sit down, cross legs and point toe of free foot down, then circle toes while stretching to side, upward and down. Reverse crossed legs and repeat.

This exercise will lengthen and stretch back-leg muscles. Stand barefoot about two feet away from the wall, facing it. Place feet eight inches apart, toes pointed slightly inward. With body rigid, place hands on wall and slowly bend elbows, leaning body forward until head touches hands. Heels must be gripped tightly to floor, body kept stiffened.

Dancing and walking are good ways to sugar-coat the exercise that keeps legs active and shapely. Walking on tiptoe to do some routine household task will help to firm flabby leg tissue, to keep arches of the feet in finer fettle.

Use condensed mushroom soup for a sauce for tuna fish; turn into raketins, top with grated cheese and heat in a moderate oven. Serve with spinach and egg salad for a luncheon dish.

Basic Wools Hit New Fashion Note

Basic wool dresses spice the autumn scene and provide color accents for fur coats this winter. Two-toned wool crepe dress ensemble (left) is sparked by bronze buttons striped-in at shoulder line and on sleeves of beige bodice with plunger, club neckline. The skirt which is peg-topped and has a hip pocket and belt is brown wool. Three soft tiers asymmetrically lined-up in skirt of green wool dress (right) are grace notes in this basic, long-sleeved frock.

New York — (NEA) — The wool dress that's designed to play second fiddle to a fur coat this winter hits a few fashion notes of its own.

One note is color: as rich and woody as autumn leaves. The other is detail, usually provided by sparkling buttons or by tricky cut.

By Epsie Kinard
NEA Fashion Editor

One example of tricky cut are the tiers that spiral around a skirt from waistline to hem. What makes this Martini-designed dress with a simple long-sleeved bodice an outstanding style are its cut and its rich pine-green color.

Bronze buttons make decorative slashes of color for a basic dress of Eisenberg's design. The bodice of this two-toned dress is beige. Incised with bronze color at shoulders and sleeves are button-trimmed slashes. The belted skirt of autumn-leaf brown has inverted hip pockets which give a slim skirt a modified peg top.

Smelling Salts Aids Modern Girl

BY ALICIA HART
NEA Staff Writer

The little bottle smelling salts which a Victorian lady whiffed at even before she felt faint is back in circulation.

Modern women, who have no intention of swooning are finding smelling salts as good a brace for staying off a tired feeling, for giving a needed pick-me-up. It is the men, however, who, according to one report, were the first to tuck bottles of smelling salts into the glove compartments of their automobiles. Fumes from smelling salts are a help in preventing drowsiness, or drivers' fatigue, these autoists claim.

Another reason this old-fashioned aid bows back to a modern encore is its usefulness in relieving a stuffy nose induced by a head cold.

For reasons such as these, today's women are apt to be seen doing what their great-grandmothers did 50 years ago, taking a couple of whiffs now and then from a bottle of smelling salts. The only difference is the modern gal carries hers in her handbag when she boards a plane.

Using the same kind of smelling salts that kept grandma from swooning, this girl staves off driver's drowsiness by whiffing at ammonia fumes.

Blend Powder To Highlight Winter Skin

By Alicia Hart

Summer's tan powder doesn't have to be discarded during the fall when a girl needs to switch to a paler shade.

An economy trick is to continue to dust on any suntan shade of face powder that's in use, but to "lift" color by blending in a lighter shade. A small box powder that's not much larger than a sample size used for blending will not only lighten the shade of a dark powder but will stretch a girl's supply.

This blend-your-own procedure is also one of the best ways to accommodate a face powder to skin as it gradually loses its tawny color.

Oysters go a long way when they are added to a well-seasoned cream sauce and served with broiled fish fillets. Oysters are also delicious added to a chicken pot pie.

Freezers Cut Food Expense

Foods that are going to be stored in a home freezer for no more than two weeks do not have to be wrapped in moisture-vapor-proof heat-sealed packages.

According to the General Electric Consumers Institute, even highly perishable hamburger can be safely frozen and stored simply in a covered container, if it is to be eaten within a fortnight.

However, if there is even a faint possibility that food may be kept longer than two weeks, it should be wrapped for long-time storage in containers and materials specially prepared for the job.

Thrifty homemakers can buy a week's supply of bread at a time, immediately and put the remaining loaves in the freezer in their original waxed paper or ordinary cellophane wrapper.

Rolls, coffee cakes and nearly any other baked goods can be frozen right in the cardboard box in which they were sold.

Hamburger should be shaped into patties, or a loaf, and placed in a covered container. Refrigerator dishes with glass or oiled-silk covers are satisfactory for this short-time storage.

Fresh and crisp as a new \$10 bill, is this blouse designed by Ship'n Shore to go with you all year 'round. Of fine combed Sanforized broadcloth.

To make a plain dessert festive, add coconut to vanilla tapioca cream and garnish with maraschino cherries and extra coconut.

SOUP TUREEN

Remember when practically every china cupboard boasted a huge soup tureen with soup plates to match? It was almost a meal in itself to partake of Mother's oyster stew, vegetable soup, or clam chowder ladled piping hot out of the old tureen and served with crackers. Remember?

Ashland Studies Ways To Improve Fire Protection

Ashland—Twelve local men attended an open meeting Monday night at the city hall to discuss Ashland's fire protection problems. Fire Chief Kermitt Murray conducted the meeting and the following were listed as some of the major deficiencies:

- 1—No fire extinguishers are available for putting out small fires.
 - 2—No fire calls can be made to the country as equipment is not adequate.
 - 3—No chemical equipment for the fighting of fires.
- A detailed report of needs and recommendations is being made to be presented to the village board. Plans for organization and fee scale for members attending meetings and fighting fires were discussed.
- The volunteer fire department will hold its meetings on the first Monday of every month at the City hall. The meetings are open to anyone interested in fire protection.
- Entertains Bridge Club
Mrs. Ella Sinclair entertained her

bridge club at her home Tuesday afternoon. High and deuce prizes were won by Mrs. Helen Mahoney; second prize went to Mrs. Bertha Leahy and Miss Irene Newell won the traveling prize.

Delicious refreshments were served.

The Woman's Society of Christian Service met Wednesday afternoon at the home of Mrs. D. L. Clarke Wednesday afternoon at 1:30 p.m.

The worship service was in charge of Mrs. E. L. Beades. The guest speaker was Mrs. Amelio D'Abo. Mrs. D'Abo is a member of the National executive committee of the Women's American Baptist home missions and is outstanding in this capacity. Two vocal solos were sung by Miss Kay Lewis.

The ladies of the Baptist church were guests at this meeting.

Assistant hostesses were: Mrs. L. O. Butler, Mrs. Don Gainer, Mrs. R. S. Ranes and Mrs. Walter Henrichs.

Return To Cheyenne
Dr. and Mrs. C. A. Conyers left Monday for their home in Cheyenne, Wyoming, after a few weeks visit at the home of the former's sister, Mrs. Walter Severs and husband.

Mrs. Elsie Lintner of Detroit, Michigan, a sister, has also been visiting at the home of her sister, Mrs. Severs, and other relatives.

Mr. and Mrs. Jack Gardner have purchased the T. P. Leahy residence and moved into it on Tuesday. Mr. and Mrs. Seth Minters purchased the late Mrs. Lillian Minters residence, and will move in the near future.

Retain Reisner In Hawkins Case

Jerseyville—Attorney Frank A. Reisner, veteran lawyer of this city, and former state's attorney for Jersey county, announced Thursday afternoon that he has been employed by relatives of Leonard Hawkins, alias Lucky Benson, to defend him in forthcoming proceedings in the courts of this locality.

Hawkins is being held here on a murder charge arising out of the death of Albert Earl Clark of Boka City, Oklahoma. He was given a preliminary examination Tuesday in Justice of Peace court here, and was held without bail to await the action of the Jersey county grand jury Nov. 21. At the preliminary examination, Hawkins was without counsel.

Attorney Reisner visited the county jail where Hawkins is being held Wednesday evening and talked with his client for more than a half hour. He returned to the jail again Thursday morning for additional conversation.

AMERICAN EDUCATION DISCUSSED BY PASTOR

"THE WORTH OF AN INDIVIDUAL"

EDITOR'S NOTE—This is the first of a series of articles by Jacksonville men and women to be published in connection with American Education Week, Nov. 6 to 12.

By DR. FRANK MARSTON, President Ministerial Association.

We, in America, recognize the needs, interests, and abilities of individuals. We want the individual to participate in all aspects of life—churches, homes, schools, businesses, and government. Our schools now attempt to adapt their methods and programs of individual needs. Special classes and facilities are provided for the handicapped. Technical experts continuously study the growth and development of each child. We want the individual to discover and build his talents for his own happiness and the common good.

DR. FRANK MARSTON

The worth of the individual is not in the abundance of his possessions. It is in the contribution he makes of himself and his gifts to the community. In this day of evaluation, it is not the worth of things, but the worth of the individual that counts. Take this matter of citizenship. In November, 1948, out of about 93,000,000 potential voters, less than 50,000,000 actually voted in the Presidential election. One of the tragedies in our American life is to have the opportunity to go to the polls and register our wishes, and yet not take advantage of the same. Our citizen-

ship of inestimable value to the community, the state, and the nation.

What is the individual worth spiritually? It is interesting to note that in our America, a land of churches, about 48% of the people have no definite church affiliation. This is rather a serious matter, when we consider the influence of the church in the community. It gives spiritual guidance to young and old, alike; it exerts for the betterment and uplift of society. The cure for juvenile and parental delinquency is, very largely, in the hands of the church, if the church could be given the opportunity to exercise its spiritual interests. It is interesting to note that only 3% of the boys and girls who attend Sunday school regularly, ever go before a juvenile court. Every man, woman, and child in the community can prove his spiritual worth by supporting the churches.

The worth of the individual is proved by his democratic way of thinking and living. One cannot isolate himself from the needs and welfare of the community, without realizing that he becomes provincial and negative in his thinking and living; we must ever remember that negative thinkers do not build—they destroy.

Milton sums up the worth of an individual in one pungent sentence: "There is nothing that makes men rich and strong but that which they carry inside of them. Wealth is of the heart, not of the hand." And happy is the town which is blessed with a few great minds and a few great hearts.

Franklin Runner Finishes Ninth In Field Of 46

Franklin—At the district cross country meet held at Virden Saturday the following schools were entered, Tri-City, Springfield, Carlinville, Virden, Franklin, Mt. Auburn and Lincoln. Tri-City won the meet with Carlinville second.

A Carlinville boy, Sego, a runner-up from last year, won the race. James Ranson of Franklin, placed ninth in the 46 boys who ran.

The Franklin P.F.A. boys went up to Camp Ellis last week, dismantled and brought home with them 200 mess tables. This lumber will be for the schools use.

The Franklin Homemakers Circle met Tuesday with Miss Maude Vanwinkle. The event was the annual Guest Day. Each member brought one guest. A luncheon was served at 12:30 after which the following program was given: Piano solo, Darlene Burnett, Clarinet Solo, Jane Rolston accompanied by Darlene Burnett. Two vocal solos, Mary Jo Thompson, and Jane Rolston. A talk on Pottery was given by Mrs. Newcomb of Jacksonville, who makes pottery collection a hobby.

The Junior class play entitled "Johnny Get Your Girl" will be given November 8th and 10th under the direction of Mrs. King. Vocal number between the acts will be in charge of Miss Peggy Flynn. Taking part in the play are: Judy Wells, Marilyn Chance, Mary Jo Thompson, Alston Dawson, Darrell Smith, Melba Williams, Dixie Clemmons, Ray Wright, and James Ranson.

Carrollton Scouts Hear Address By Rev. Father Link

Carrollton—Rev. Father Link of the Trail Rangers at Michael was guest speaker at the annual Girl Scout birthday dinner served to 200 guests Tuesday evening in the dining room of the Baptist church. The birthday dinner, held in observance of Girl Scout week, was planned and served by the members of the Girl Scout executive committee, of which Mrs. George Grauel is president.

The Brownie group, led by Mrs. M. Reif and Mrs. McCann, dramatized "The Brownie Story" with Miss Marie Hanlon as narrator. The other Brownie group, with Mrs. Peter McCadden as leader, sang a group of songs. Mildred Eldred, representing the Senior Scouts, read "The History of Scouting."

Grace at the table was sung by the Intermediate troop, with Mrs. Ivan

Beebe and Mrs. Bill Jackson as leaders, and the Intermediate troop, with Mrs. Kenneth Byland and Mrs. Roy Keller as leaders, led in group singing and closed the program with the flag ceremonial ending in the pledge of allegiance to the flag. The girls of the Senior Scout troop assisted the Scout committee members in setting and decorating the tables.

In addition to the parents of the Scout members other guests invited were the local ministers and their wives and the grade and high school teachers of the Scouts.

Mrs. Graul, the committee chairman, introduced the new Scout leaders as well as the new executive committee members.

BLUFFS

Bluffs—Rev. and Mrs. Johan Rodvik and daughter have returned home. Rev. Rodvik was called to Minnesota for the funeral of his wife's step-father last week. She has been caring for her parents for the past year.

Mr. and Mrs. Max Grounsnick of Chicago spent the weekend with Mrs. Emma Mueller.

Mrs. Lyle Husband who has been a patient at Schmitt Memorial hospital for the past 10 days returned home Sunday.

Mr. and Mrs. Harold Hillman are the parents of a son born Monday at Illinois hospital in Pittsfield. Mr. Hillman is the coach in the Bluffs high school.

Mr. and Mrs. Jack Moore are the parents of a son born Wednesday evening in St. John's hospital in Springfield. Mrs. Moore is the former Miss June Bauls.

Lafayette Six left Saturday for Kansas City to make his home near his son, Wilbur and family. Paul B. Smith and son, Robert, accompanied him, trucking his household furnishings.

Rev. Smothers accompanied his daughter, Mrs. Russell Schlicker, and family back to Arizona for the winter.

Mrs. Robert Lovekamp entered Passavant hospital for treatment for pneumonia the first of the week. Her children are being cared for by his mother, Mrs. Lena Lovekamp.

Mrs. Mae Floyd and four boys from Chaddock Boys' school in Quincy were guests of the Bluffs Methodist Sunday school and church Sunday morning. Mrs. Floyd spoke on the work being done at Chaddock and the boys gave readings, and musical numbers. At noon they were entertained at a dinner in the church basement by the boys of one of the Sunday school classes, the parents and the pastor and his family.

Burton Chamberlain Hurt By Corn Picker Sentenced To 5 Months At Farm

Bluffs—Caught in the power take-off of a corn picker, Burton Chamberlain, 46, year old farmer, was badly injured Friday in an accident near Mt. Sterling. Chamberlain formerly farmed in Morgan county between Bluffs and Meredosta, and has numerous relatives in those communities.

His clothing was torn entirely off by the machinery after his trousers leg became entangled. Chamberlain was riding on a tractor pulling the picker at the time of his injury. The tractor continued to run for some distance.

Chamberlain was taken by ambulance to a Quincy hospital where he was found to be suffering from multiple compound fractures of the left arm and right leg. His arm was broken in six places.

The injured man remained conscious during the ordeal. His condition Saturday morning was reported as fair, and further examination did not reveal any internal injuries.

Morgan county needs Wegehoff. Cast your vote for him Nov. 8.

It has always been my conviction that a County Commissioner should serve his county with courtesy, efficiency and promptness. To those principles I pledge myself.

As a taxpayer it has been my observation that taxes in this county have been steadily increasing, and if elected I intend to make a thorough study of the enormous tax burden you carry in this county, and if possible will reduce them. I further guarantee to use your tax money for essential county purposes, eliminating unnecessary employees and services.

If my statement of principles meets your approval I will appreciate your support Tuesday, November 8th for County Commission. Virgil Wegehoff, Democratic candidate.

E. C. Stapleton, Retired Farmer, Dies Saturday

Elbert Clark Stapleton, a retired Morgan county farmer, died Saturday morning at 3:10 o'clock after a lingering illness, at the age of 78 years.
Mr. Stapleton farmed in the Alexander community for a number of years, coming to this city several years ago.
He was born in Lee Valley, Tenn., a son of Robert and Nancy Stapleton, and came to Morgan county in 1910.
His marriage with Minnie Bell Jones was solemnized in 1894, and to this union four children were born. They are Walter Stapleton of Alexander, Kenneth K. Stapleton of this city, Mrs. Everett Baker of Ashland and Mrs. Hobart W. Basham, the latter being deceased. His wife preceded him in death in 1929.
There are five grandchildren, Joyce Ann Stapleton, Nancy Jean Stapleton, John and Bruce Baker and Mrs. Margaret Cruzan.
Mr. Stapleton was a member of the Shiloh Methodist church of Lee Valley, Tenn.
Funeral services will be held Monday afternoon at 2 o'clock at the Cody & Son Memorial Home, in charge of Rev. Frank Marston, with burial in Diamond Grove cemetery. The family will meet friends at the Memorial Home Sunday evening from 7 to 9 o'clock.

THE DOCTOR SAYS

Virus Pneumonia Treated By Drug Like Penicillin

By EDWIN J. JORDAN, M. D.
Written for NEA Service

During recent years, doctors have come to recognize a peculiar disease of the lungs which is called virus pneumonia or atypical pneumonia. It is generally believed that one or more viruses are responsible.

The disease usually starts much

like typical influenza with cough and running eyes and nose. Later, the lungs become affected in a patchy sort of way. This is quite different from the usual type of pneumonia caused by the well-known germ called pneumococcus, often called lobar pneumonia.

Virus pneumonia apparently takes about two to three weeks to develop after exposure. It begins rather gradually, usually without the typical chilly feeling of other kinds of pneumonia. The temperature rises more or less slowly and the cough becomes more and more annoying. Unlike lobar pneumonia, the cough generally does not rise much mucus.

Effects May Last

The disease often lasts from one to two weeks, but the changes in the lungs as shown by X-ray pictures may stay for 10 or 11 weeks. At present most patients with this peculiar disease eventually recover completely. The weakening effects, and perhaps some cough may hang on for weeks or even months. People who have had virus pneumonia often complain that they do not feel normal for four or five months.

Until recently most treatments tried have not been particularly effective. Now, however, a relative of penicillin called aureomycin has been favorably reported on. It is hard to be sure about this treatment because virus pneumonia patients often get well promptly without any treatment at all. Nevertheless, this is certainly the most promising treatment so far proposed.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

The DOCTOR ANSWERS

By Edwin J. Jordan, M. D.
QUESTION: Does multiple sclerosis deform the body in any way? Is there any pain?

ANSWER: The disease does not cause body deformity as a rule but the muscles and nerves may be affected. There is no pain as a direct consequence of the disease.

Gophers Blast Iowa With 55-7 Victory

AD GOPHERS BLAST IOWA—

By Maurice Putnam
Minneapolis, Nov. 5.—(AP)—Minnesota, counted a dead duck so far as the Big Ten title chances and Rose Bowl consideration go, proved a screaming, fighting Eagle Saturday by blasting Iowa, 55-7.

The Gophers exhibited a far different brand of football from that against Purdue just a week ago. They struck quickly with a tricky, hard-driving offense to get their first score in the first four minutes of the game.

They dominated the game the rest of the way and held Iowa well away from scoring territory until late in the third period. The Hawkeyes couldn't quite make the goal in that quarter, but used a pass play, quarterback Glenn Drann to end Bob McKenzie, to go over, early in the fourth period. Fullback Bill Reichardt added the point. That brought the score to 28-7.

But that fired the Minnesota players and they slammed over four touchdowns in rapid succession. Three of the tallies were made in the final minute and 29 seconds of play, two of them by intercepting Iowa passes.

Seven Gophers contributed to the scoring. Halfbacks Bill Bye and Ralph McAllister each got a pair of touchdowns, with fullbacks Frank Kuzma, and Bill Elliott, left end Jerry Mitchell and halfback Bud Hausken each getting one. End Gordy Soltau kicked seven points after touchdown.

The Gophers were so pleased at the victory that they rushed to the sidelines at the final whistle and grabbed head coach Bernie Bierman. Holding him to their shoulders, they paraded down the sidelines toward their dressing room in the first such demonstration in Bierman's tenure at Minnesota.

There never was any doubt of the outcome after Bye scored the first touchdown. Iowa never gave up, though, and time after time saw what appeared to be the start of a drive downfield thwarted by pass interceptions.

In the waning minutes of the game, Iowa filled the air with passes, but the Gophers showed a vastly improved pass defense to keep the Hawkeyes off balance.

Lou Little is in his 20th year as head coach of Columbia football.

Texas A & M Ties Mighty SMU 72-72

College Station, Tex., Nov. 5.—(AP)—Texas A. & M. rose from the depths of ridicule and defeat Saturday to tie mighty Southern Methodist University, 72-72.

It was a pounding fullback, Bob Smith, and a spirit that burned as bright as the sun overhead that smashed the Mustangs' Southwest conference title hopes and national ranking.

Smith scored three touchdowns to bring the Aggies from behind, then left the final glory to little Billy Tidwell and Bob Schaeffer. Tidwell scored the last Aggie touchdown late in the first quarter and Schaeffer kicked the extra point that gave A. & M. a moral victory in the biggest upset of the Southwest conference season.

A. & M.'s tie came after five straight licks and six defeats in its first seven games this year. In 22 games it has won only one and tied three.

RIPON EKES OUT 6-2 WIN OVER GRINNELL

Ripon, Wis., Nov. 5.—(AP)—Ripon eked out a 6-2 victory over Grinnell Saturday to maintain second place in the Midwest conference.

The Dad's Day crowd saw Grinnell score first when Paul Jones sprinted 33 yards with an intercepted pass for the final margin. The Blue Devils' only score came 20 seconds before the half ended. Halfback Fred Schoonmaker spearheaded a wild pass in the flat and romped 85 yards, almost unmolested, for the Duke touchdown.

Though the Redmen threatened several times, they were able to hit pay dirt only once. That came early in the fourth quarter on a sustained drive which started from the Ripon 35. The Redmen put together three first downs on a series of pass and running plays. Halfback Bill Brennan, who figured in most of the running plays in that drive, finally went over from the three after Grinnell had been penalized for illegal substitution.

BOSTON COLLEGE WHIPS CLEMSON 40-27

Clemson, S. C., Nov. 5.—(AP)—Boston College and Clemson put on an all-out offensive football show here Saturday with the New Englanders taking a hard fought 40-27 victory.

Each team scored in every quarter but Boston College rolled up three touchdowns to Clemson's one in the second period and that was the ball game.

Wake Forest Hits Duke Devils 27-7

Durham, N. C., Nov. 5.—(AP)—Wake Forest's Deacons, a sleeping giant of a football team, awoke with a Duke Saturday to shatter favored Duke, 27-7, and puncture the Devils' conference title hopes before 35,000.

It was the first Southern conference setback in four starts for Wallace Wade's charges, who previously had lost only to Navy. The Blue Devils were a one-touchdown choice over the Deacons, who had lost four games.

Halfback Bill Gregus, a line-splitting plunger, furnished most of the momentum as the Deacons struck for two swift touchdowns in the second period and two more in the fourth.

Gregus accounted for two of the scores. Fullback Bill Miller ploughed two yards for the Deacons' second touchdown and halfback Bobby Jones sprinted 33 yards with an intercepted pass for the final margin.

The Blue Devils' only score came 20 seconds before the half ended. Halfback Fred Schoonmaker spearheaded a wild pass in the flat and romped 85 yards, almost unmolested, for the Duke touchdown.

Ohio State Sinks Pittsburgh 14-10

Pittsburgh, Nov. 5.—(AP)—A fighting University of Pittsburgh football team piled up a 10 point lead over Ohio State Saturday but the worn out Panthers couldn't make it stick and went down to defeat 14-10 under the Ohioans' greater power.

Ohio State punched out two touchdowns in a thrilling third quarter to win the 14th meeting between the teams in the past 20 years.

After a scoreless first period, the Pitts went into the lead on a 17-yard touchdown forward pass from fullback Carl Depasqua to end Earl Sumpter over the OSU goal. Bolkovac kicked the extra point.

The game was decided in an action-packed third quarter. The Ohioans made their first score the hard way—by inches—after Pitt's Nic Bolkovac, star 225-pound tackle, kicked a field goal from the 21-yard line.

Ohio State, trailing 10-0 and generally outplayed as well as outscored, got back in the game after Pitt halfback Sickho fumbled an OSU punt which guard George Tonneff recovered for the visitors on the Pitt 11-yard line. The Ohioans quickly ran and passed to a first down on the one-yard line.

Wisconsin Wins Cross Country Tourney At Loyola

Chicago, Nov. 5.—(AP)—Paced by Don Gehrmann, Wisconsin cross country runners won both the individual and team titles in Loyola University's 17th invitational meet today over the Montrose Beach course.

Wheaton college, defending champion, was second with 72 points to 18 by the Badgers, who placed six men among the first seven finishers. Gehrmann, who set the meet record of 16:40 in 1947, ran the three and one half mile course in 17:40.5. The 1948 winner, Paul Balog of Wheaton, finished 16th.

Jim Uehart of Wisconsin was 150 yards behind Gehrmann and finished second in 18:02. Bob Kelly, Loyola freshman, was third in 18:05. Next came Glen Weeks, Tom Ward, Don Pirchall and Richard Beck of Wisconsin.

Gehrmann is the third runner to win the Loyola meet twice. Both Wisconsin and Notre Dame have won the team event four times.

Team scores: Wisconsin 18, Wheaton 72, Loyola 102, Illinois State Normal 106, Western Illinois 142, DePaul 149, Illinois Tech 184, Bradley 0.

Stanford Blasts So. Cal 34 To 13

Los Angeles, Nov. 5.—(AP)—Stanford's alert Indians blasted the Rose Bowl dream of the University of Southern California Saturday and kept their own hopes alive with a surprising 34-13 triumph before 70,041 astonished onlookers.

A 20-point burst of scoring power in the second quarter blotted the Trojans of USC out of the Rose Bowl picture, leaving Stanford with one lone loss in the Pacific Coast conference play and a chance to knock off undefeated California.

This was the second Trojan conference setback and the worst in Troy's history in 28 games with the scorching Indians from Palo Alto.

Southern Cal went into the game close but firm favorites. The Stanford routed this theory with two spectacular, long range scoring plays and settled the issue with a third touchdown march of 56 yards, all in the first half.

Valparaiso Gives Wheaton 1st Loss

Valparaiso, Ind., Nov. 5.—(AP)—Valparaiso struck twice in the last quarter to knock Wheaton from the list of unbeaten-united college football teams Saturday, 21-13.

Three touchdowns in the last eight minutes, one by Wheaton, turned a tight 7-7 tie into a free-for-all. Wheaton came here with a six-game winning streak and was a two-touchdown favorite.

Valparaiso took the lead in the first quarter as Hank Xie threw a 20-yard pass to Howard Schneider, who took the ball on the three-yard line and fell over the goal. Wheaton marched 57 yards in the third quarter to tie the score, with Don Hammarlund plunging over.

With eight minutes to go Valparaiso went ahead again. Joe Pahr's plunge getting the points. Wheaton took the next kickoff all the way back, Hammarlund plunging over again, but missed the extra point and the score was 14-13.

Western Downs Eastern 14 To 0

Charleston, Ill., Nov. 5.—(AP)—Three negro halfbacks led undefeated Western Illinois State of Macomb to a 14-0 victory over Eastern Illinois State in a homecoming football game Saturday.

Western had defeated Northern of Dekalb and Illinois State Normal in Illinois Intercollegiate Athletic conference competition.

Ronnie Jackson scored for the victors in the first period on a one-foot plunge soon after he intercepted a pass by Howie Boudreau. Johnny Suehr and Percy Franklin marched 50 yards in the closing quarter with Suehr going over from the one yard line.

Eastern threatened once in the second quarter on a drive to the Western five, but failed to go the distance. Suehr topped Western's powerful running attack with 132 yards in 19 trips. The Macomb eleven is a heavy favorite to win the IIAA championship.

Notre Dame and Navy have faced each other on the gridiron every year since 1927, when the series was begun.

Sealed proposals for furnishing of approximately 1080 tons of gravel or crushed stone, required for the construction of section No. 4, S. B. No. 378 roads, in Road District No. 6, Morgan County, Illinois, will be received in the office of the County Superintendent of Highways, Court House, Jacksonville, Illinois until 10:00 o'clock a. m. Monday, November 7th, 1949, and at that time publicly opened and read.

All proposals shall be made on form furnished by the County Supt. of Highways. The right is reserved to reject any or all proposals and waive technicalities. Proposal guarantee will be required. A certified check, cashier's check or bank draft for 10% of the amount of the bid shall be submitted with all proposals.

Michigan Turns Back Stubborn Purdue 20-12

By CHARLES C. CAIN
Ann Arbor, Mich., Nov. 5.—(AP)—Michigan turned back a stubborn Purdue team 20 to 12 Saturday and moved a step closer to its third Big Ten football title in a row.

Purdue, a two touchdown underdog made it a scrap all the way. It outlasted Michigan most of the final half and got the only touchdown made in the last two periods. A crowd of 95,207 saw the game.

Michigan's victory moved in into a tie with Ohio State for the lead in the Big Ten race, each with a 3-1 record. It pointed up their Nov. 19 date as the game likely to settle the Western Conference title.

Again it was Chuck Ortmann who was the big man in Michigan's attack. He picked up 103 yards in rushing and set up Michigan's second touchdown with an 82-yard runback of a kickoff.

He had a lot of competition for top honors from Purdue's Ken Gorgal and Bob Hartman who divided Purdue's passing duties as they completed 10 of 21 aerials for 162 yards to keep Purdue a constant threat.

Thrills Huge Crowd
Michigan's blitz in the dying seconds of the first half gave the huge crowd a thrill and broke open what otherwise would have been a very close game. It was Michigan's fourth home game this season to draw more than 90,000 fans.

Michigan opened the scoring late in the first period. It went 54 yards in seven running plays with Don Duk smashing over from the one yard line. Harry Allis kicked the point and the Wolverines led, 7-0.

Purdue did not penetrate Michigan territory until late in the second period. That intrusion came on a 78-yard touchdown March during which Hartman and Gorgal completed four passes. Gorgal smashed over from the one yard line. Bill Skowron's kick was blocked and Michigan led, 7-6.

Then came Michigan's two touchdowns blast.

Ortmann ran the kickoff 82 yards to the Purdue nine. Don Peterson skirted left end for the Michigan score. Allis' kick was no good and Michigan led 13-6.

DETROIT TAKES LEAD
Toronto, Nov. 5.—(AP)—The Detroit Red Wings gained undisputed possession of first place in the National Hockey League tonight, beating the Toronto Maple Leafs, 4-3. Ted Lindsay scored the winning goal late in the final period. The teams had been tied for the lead before the game's start.

Valparaiso Gives Wheaton 1st Loss

Valparaiso, Ind., Nov. 5.—(AP)—Valparaiso struck twice in the last quarter to knock Wheaton from the list of unbeaten-united college football teams Saturday, 21-13.

Three touchdowns in the last eight minutes, one by Wheaton, turned a tight 7-7 tie into a free-for-all. Wheaton came here with a six-game winning streak and was a two-touchdown favorite.

Valparaiso took the lead in the first quarter as Hank Xie threw a 20-yard pass to Howard Schneider, who took the ball on the three-yard line and fell over the goal. Wheaton marched 57 yards in the third quarter to tie the score, with Don Hammarlund plunging over.

With eight minutes to go Valparaiso went ahead again. Joe Pahr's plunge getting the points. Wheaton took the next kickoff all the way back, Hammarlund plunging over again, but missed the extra point and the score was 14-13.

Western Downs Eastern 14 To 0

Charleston, Ill., Nov. 5.—(AP)—Three negro halfbacks led undefeated Western Illinois State of Macomb to a 14-0 victory over Eastern Illinois State in a homecoming football game Saturday.

Western had defeated Northern of Dekalb and Illinois State Normal in Illinois Intercollegiate Athletic conference competition.

Ronnie Jackson scored for the victors in the first period on a one-foot plunge soon after he intercepted a pass by Howie Boudreau. Johnny Suehr and Percy Franklin marched 50 yards in the closing quarter with Suehr going over from the one yard line.

Eastern threatened once in the second quarter on a drive to the Western five, but failed to go the distance. Suehr topped Western's powerful running attack with 132 yards in 19 trips. The Macomb eleven is a heavy favorite to win the IIAA championship.

Notre Dame and Navy have faced each other on the gridiron every year since 1927, when the series was begun.

Sealed proposals for furnishing of approximately 1080 tons of gravel or crushed stone, required for the construction of section No. 4, S. B. No. 378 roads, in Road District No. 6, Morgan County, Illinois, will be received in the office of the County Superintendent of Highways, Court House, Jacksonville, Illinois until 10:00 o'clock a. m. Monday, November 7th, 1949, and at that time publicly opened and read.

All proposals shall be made on form furnished by the County Supt. of Highways. The right is reserved to reject any or all proposals and waive technicalities. Proposal guarantee will be required. A certified check, cashier's check or bank draft for 10% of the amount of the bid shall be submitted with all proposals.

Intercepts Pass
The clock showed only 25 seconds left in the half when Charlie Lentz of Michigan intercepted a Gorgal pass on Purdue's 49 and ran it to the 12.

With 10 seconds left, Bill Putsch tossed a touchdown pass to Harry Allis and Michigan led 20-6 as Allis kicked the point.

Purdue dominated play in the second half. Michigan did not get beyond the Boilermakers' 45 yard line until the final minutes.

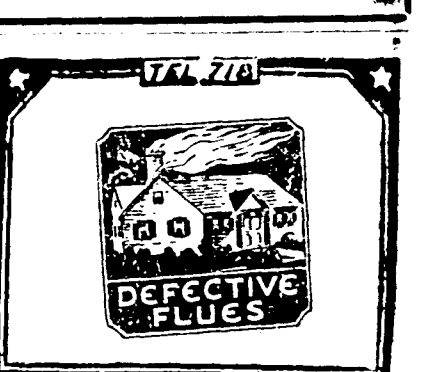

That was after Purdue went 51 yards in seven plays for its second touchdown to make it 20-12 midway in the final period as John Kesterides drove over from the one. Rudy Tovich's try for the extra point failed.

ISD Trips Auburn 26-7 In Last Home Game; IC Loses 28-12

Second Half Drive Nets Westenders 3 Touchdowns, Victory

Art Yates' ISD Tiger eleven roared from behind a 7-6 halftime deficit to tally three touchdowns in the third and fourth periods and romp to a 26-7 victory over Auburn on the Westend turf Saturday afternoon.

After a so-so first half which found the two clubs struggling futilely in mid-field most of the time, ISD caught fire after the intermission, commanding the ball and ball game. Auburn didn't get to run a single play in the third quarter and tried but eight in the fourth.

The victory was a successful tune-up for the Tigers' trip to Tennessee this week. The Yatesmen will leave for Knoxville Wednesday evening where they'll play the Tennessee school for the first time Saturday afternoon in the final football game of the year.

Tigers Score First

The Tigers scored first when Fullback Briggs packed the leather 40 yards on a weak-side play into pay dirt. Hensley's plunge failed and the Westenders led 6-0 midway through the opening quarter.

Auburn grabbed the lead in the same period when they pulled a successful sleeper play, the pass going 35 yards from Presker to McDonald for a tally. Presker threw to Chambers for the extra point and stand.

That was the halftime score as the two eleveners battled to a scoreless tie throughout the second chapter. Numerous pass interceptions by both clubs bogged down drives by each.

ISD marched in the third quarter. Taking the ball on their own 24, the locals rolled up five successive first downs in a sustained scoring drive that ended when Hensley scored around his right end. The kick for extra point failed.

Fumble Sets Up TD

Westenders recovered Auburn's fumble on the kickoff. Starting on the 40, ISD drove to the one-foot line, being halted only by the officials' long enough to change goals between quarters. — from where Franco plunged over at the start of the final canto. Hensley banged through right tackle for the extra point to give ISD an 18-7 advantage.

The Tigers racked up their final score late in the game after an Auburn pass moved the visitors deep into host territory. Auburn's threat was stymied by a fumble which ISD recovered on their own 34. An exchange of punts gave Jacksonville the ball at mid-field. Franco passed 35 yards to Villani in the end zone and Carlstedt kicked the extra point, giving the Tigers a rousing 26-7 victory in their final home game.

THEY'RE STARTING YOUNG AT ISD

When I.S.D. athletic director "Spike" Wilson issues a call for 9-11 year old football candidates, he's not kidding. Four teams of such youngsters comprise an intra-mural grid league at the westend school.

The Tiger cubs are decked out in the same equipment as their older counterparts and, as this picture will

testify, they know the ropes when it comes to calling plays, running, blocking and tackling. The junior footballers were stopped by the

cameraman during a 15-minute game between halves of the I.S.D.-Indiana homecoming fray here a week ago.

Iowa State Passes To 21-8 Victory Over Drake Eleven

Des Moines, Nov. 5.—(P)—Iowa State, its offense geared to the expert passing of slender Bill Weeks, bumped Drake 21-8 today before a record-breaking stadium crowd of 21,000.

The Big Seven conference team, helped along by several Drake errors, was in command most of the way over its deadly intra-state rival. After blocking a Drake punt and recovering on the enemy 38 yard line, Iowa State struck for its first touchdown with six minutes left in the first period. Weeks did the scoring on a rush from the four yard line.

Drake was ahead only once. The Bulldogs counted a touchdown by the brilliant Johnny Bright from the 3-yard line early in the second period but missed the tying extra point. Then they collected two points on a safety. That made it 8-7 Iowa.

But Iowa State came right back for a 71-yard drive. Bill Chauncey scored. Iowa State captured a Drake fumble in the third period on its 46 and promptly was en route to its third and decisive touchdown. Bob Angle went over from six inches out.

Grid Bits

Normal 14 Northern 14
Normal, Ill., Nov. 5.—(P)—Illinois State Normal's football team ended Northern Illinois' Teachers' dream of a share in the I.I.A.C. flag Saturday by tying the huskies from DeKalb 14-14 before a homecoming crowd of 5,800. Northern had won one and tied one prior to today's league game.

Millikin 20 Lake Forest 6
Lake Forest, Ill., Nov. 5.—(P)—Millikin university's Big Blue football team beat Lake Forest college 20-6 Saturday, scoring all points in the first quarter. Dick Halliburton, right halfback, made all three touchdowns.

North Central 55 Elmhurst 7
Elmhurst, Ill., Nov. 5.—(P)—North Central college of Naperville whipped Elmhurst college's football team 55-7 Saturday in a wild passing game.

Wesleyan 27 DePauw 12
Bloomington, Ill., Nov. 5.—(P)—Illinois Wesleyan's football team walloped DePauw university 27-12 Saturday. Fine punting by Bill Gross and alert work on interceptions and recovered fumbles enabled Wesleyan to average a 6-0 loss to DePauw at Greencastle, Ind., a year ago.

Delaware 47 Bradley 7
Peoria, Ill., Nov. 5.—(P)—Bradley scored in the first two minutes Saturday but never penetrated the University of Delaware's 40 yard line again and Delaware's sixth football victory of the season against one defeat, by Bucknell.

Oklahoma 39 Kansas State 0
Manhattan, Kas., Nov. 5.—(P)—Oklahoma's mighty and versatile Sooners toyed with undermanned Kansas State Saturday in rolling up a 39 to 0 Big Seven conference football victory.

It was Oklahoma's fourth league victory this season and its 17th win in a row.

Kansas 27 Nebraska 13
Lincoln, Neb., Nov. 5.—(P)—Great defensive line play and opportunism on the attack won a 27 to 13 football victory for Kansas over Nebraska Saturday.

A Kansas line that was pretty well punctured in the first quarter came back to give a display that had the 36,000 fans cheering madly or muttering darkly.

Florida II Upsets Georgia 28 To 7

Jacksonville, Fla., Nov. 5.—(P)—Chuck Hunsinger dashed and smashed Florida to a 28-7 upset victory over Georgia Saturday.

Hunsinger, all-southeastern conference back of 1948, just about clinched a repeat with the kind of running that can be described best by results. He ran 18 times for 174 yards — an average of almost 10 yards — and scored three touchdowns. Georgia's lone touchdown tied the game for a short while at 7-7. The 34-yard march took 13 plays and ended with a six-yard toss, Prosper to Bob Walston.

BILLIKINS TIE WICHITA ELEVEN
St. Louis, Nov. 5.—(P)—The St. Louis University Billikins pushed over two last period touchdowns today to gain a 21-21 tie with the Wichita Shockers who were 13-point favorites.

The touchdown that brought about the tie and thrilled 6,100 Billikins fans came with only 30 seconds remaining in the game. Bobby Astroth tossed a 30-yard pass to Augie Garcia in the end zone and Eddie Donohue converted with a placekick to tie the score.

Augustana Whips Carthage To Gain Tie In CCI Race

Rock Island, Ill., Nov. 5.—(P)—Augustana's Vikings beat Carthage College 21 to 13 today to tie Wheaton College for first place in the college conference of Illinois football standings.

It was the Rock Island College's fourth win against no league losses. Wheaton, winner of four league games, lost its first contest of the year to Valparaiso, Ind., college, 21-13, outside the loop today.

Augustana scored touchdowns the first two times it got a chance at the ball. The Vikings went over on sustained 50 and 45 yard marches. Ray Jacobson of Chicago made the first on a short plunge, and Forrest Anderson of Aledo made the second from 16 yards out.

Ara Gurunian tossed to Joe Heers for Carthage's first score just before the half ended. In the last period, Jacobson passed to Dave Lund of Rock Island for 46 yards and a third Augustana score. Gurunian whipped a pass to Dick Coffman for an 88 yard touchdown play that ended Carthage scoring.

Navy Comes Back To Tie Tulane

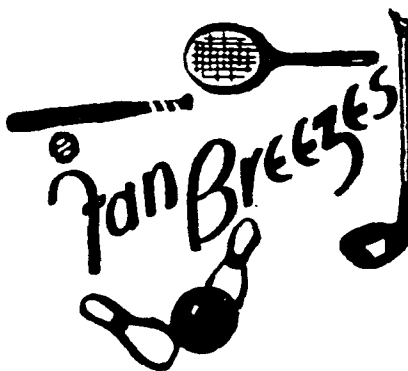

New Orleans, Nov. 5.—(P)—Midshipman Bob Zastrow matched his bullet passes Saturday against Eddie Price's long, swift runs in a brilliant football free-for-all in which Navy rallied to tie the Tulane 21-21.

The much beaten Navy team had 70,000 hysterical in the sugar bowl stadium as it stormed down to the Tulane 16 with eight seconds left to play. Roger Drew came in to try a field goal. But before the ball could be snapped time ran out and the officials jumped in and ended the game.

It was first and last an offensive battle. Navy led at half time 14-7. Price, who scored Tulane's first touchdown on a one-foot buck at the end of a 98-yard drive, cut loose with a 68-yard run to tie the score 14-14 just before the third quarter ended. He put Tulane ahead 21-14 early in the final period on a 25-yard touchdown run.

Then Navy came back, eager for victory. There have been two in the previous 20 games, both this season. Starting on Navy's 38, Zastrow tossed a short one to Bill Powers, who ran to the Tulane 28 with two minutes left in the game. Twice more Zastrow passed and the ball was on Tulane's five. Duff Arnold carried it over to tie the score 21-21 in as exciting a game as anyone could ask.

Because of congested mail conditions on Saturday, only a few votes for the Journal-Courier All-Star football team dribbled across our desk Saturday evening—not even enough to warrant publishing the tabulations. So we'll keep the watchers in suspense until Tuesday morning when we should have bales of ballots to sort and count.

Illinois fans have lots to cheer about after that performance staged by the fighting Illini against the Hoosiers of Indiana Saturday afternoon. We were one of the fortunate forty thousand yelling fans whose screaming spurred Johnny Karras, Ronnie Clark and associates to a big Big Ten ground-gaining record and set young John Horvath's individual scrimmage mark.

Twenty years old and a sophomore, Karras, who rang up 155 yards from scrimmage Saturday, should develop into quite a ball player with a little more seasoning. That's a pun, son. Adding seasoning to Karras would be like adding pepper to Mexican Chili. There just ain't room for no more.

While watching the two-platoon of Illinois and Indiana gallop on and off the field, we were struck with an idea that might well revolutionize the game. Why not build two stadiums. Then, put the Illinois offensive team against the opposing defensive team on one turf and vice-versa on the other. Give the offensive gridders the ball on every play of the full-time game in each stadium and when time has run out, get the score-keepers together, add the tallies made by each and presto, you have it, two full games in one.

Think of the advantages — more paying customers, more athletes made happy because they get in more playing time, more jobs for coaches and the same for sports writers with hair-brained ideas. Profit sharing, that's it!

Dartmouth Scalps Columbia 35-14

New York, Nov. 5.—(P)—Dartmouth tuned up for next week's clash with unbeaten Cornell by scalping Columbia today, 35-14 after a stuttering start that fanned false hopes among the 25,000 Baker field customers.

Fullback Herb Carey cracked the Columbia defense for two scores and end Tommy Rowe snatched two touchdowns passes as Dartmouth overcame an early Columbia lead. Bill Dey, who added the five extra points, streaked 62 yards on a punt return in the second period to account for the other Dartmouth tally.

Indiana Hosts Score In Every Period To Smother Millermen

Crawfordsville, Ind. — Special — Scoring in every period, a player-rich Wabash College football machine ground out a 28-12 non-conference decision over Illinois College on the Indiana club's campus gridiron Saturday afternoon.

The host Wabash eleven carried the opening kickoff back for a touch-down, Jim Swope getting the last three yards. Holstine's unerring toe gave the Hoosiers a 7-0 lead with the game not two minutes old. Holstine converted after all four Wabash touchdowns.

Bill Gross and John DeLaPaz collaborated to get the Blueboys back in the ball game the first quarter. Gross snared a Wabash pass on his own 45 yard line and poked to the ever, and the entertaining eleven 10. DeLaPaz scooted through center rolled on to grab another on a 66-yard end-around run by Ken Beaspoon attempt failed and the Hilltop

eleven lagged 7-6 as the first quarter ended. Frank Roman scored for Wabash from the ten-yard line in the second period to make it 14-6 at the half.

The Millermen climbed back into the ball game in the third quarter. Bob Scheller recovered a Wabash fumble on the enemy 35. Bob Grove dug into his bag of tricks and came down, Jim Swope getting the last three yards. Holstine's unerring toe gave the Hoosiers a 7-0 lead with the game not two minutes old. Holstine converted after all four Wabash touchdowns.

Another touchdown bludgeoned by Johnny Karas, set a new record for a sophomore ground-gaining record of 552 yards Saturday in trouncing Indiana 33-14.

Illini Rip Through Indiana 33-14; Set Ground Gaining Record

By CHARLES CHAMBERLAIN
Champaign, Ill., Nov. 5.—(P)—Illinois' sophomore terror, led by Johnny Karras, set a new record for a sophomore ground-gaining record of 552 yards Saturday in trouncing Indiana 33-14.

The output, which included 449 yards by rushing and 102 passing, shattered the old mark of 531 set by Michigan against Ohio State in 1943.

Was game of sensational runs, which kept a "Dad's Day" crowd of 40,437 chattering. Illinois won its first home scrap of the season, Kansas personally accounted for 155 yards in 12 carries for a 12.9-yard average. This boosted the rushing total for the former prep quarter-mile champion from Argo, Ill., to 624 yards in five games—only 45 shy of the record punch by Ohio State's Les Horvath in six 1944 contests.

Illinois still faces Ohio State and Northwestern. Karras may yet put the record out of sight. The Argo express, derailed tacklers right and left, rambled on runs of 65, 25, 25, 20 and 15 yards today as Illinois scored in every quarter and zoomed onto a record team pace.

Yardage Average Is 33.2
Coach Ray Eliot's sophomore stampede now has a yardage average of 33.2 in its three wins, one loss and one tie in Big 10 competition. This is ahead of Michigan's 1943 full season offensive record average of 32.0 yards.

Indiana was far from completely overwhelmed. The Hoosiers gained 147 yards rushing and 102 passing. Fleet Bob Robertson was the workhorse, rushing 58 yards in 17 carries. Nick Sebek's 36-yard aerial gain on connections to Hugh Craton and Robertson supported a 67-yard Indiana scoring drive in 12 plays during the first five minutes of the game. Sebek went over from the one foot line on a quarterback sneak and Don Henkle booted the first of his two extra points.

Karras' 20 yard sprint set up Bernie Krueger's 48 yard touchdown pass to Amos Jones as Illinois tied the score 7-7 at the end of the first quarter.

Illinois made it 20-7 at halftime. Johnny Clark raced 56 yards to the Indiana 2 yard line knifed over. Dick Raklovits' 14 yard touchdown jaunt later capped an 83-yard drive in 11 plays.

Karras Goes 26 Yards
In the third, Karras romped 26 yards to score after Wayne Siegart recovered a fumble handoff. Then Sebek's 23 yard toss to James Gomory.

Don Engel's 33 yard pass to Chuck Fox gave Illinois its fifth touchdown in the finale, and the Illini were on the Indiana 3 when time ran out.

The victory produced the biggest winning margin in the 23-game

Illinois-Indiana series since Illinois' 51-0 rout of the Hoosiers in 1914. Another Illinois sophomore whiz, Johnny Clark of East Chicago, Ind., also did his share. He netted 134 yards in 16 rushes, rambing 36 yards on his longest gain.

Still another rookie, Don Stevens from Pittsburgh, Pa., in the game only briefly, scooted 68 yards for a touchdown on the longest run of the day to have it nullified by an official penalty.

Also contributing to the sophomore steamroller was Don Engels of Chicago's St. George High school. Coming in the last quarter, the 6 foot 25 inch quarterback, tossed only one pass, and that was good for a 33 yard touchdown to Chuck Fox.

But Indiana was far from completely overwhelmed. The Hoosiers gained 147 yards rushing and 102 passing. Fleet Bob Robertson was the workhorse, rushing 58 yards in 17 carries. Nick Sebek completed six out of 17 passes for the total 102 aerial yardage. Two of his tosses were snagged by Clifton Anderson giving the junior end a total of 15 catches in four conference games—only three shy of the league mark booked by halfback Bill Canfield of Purdue in 1945.

Army Rolls Over Fordham 35 To 0

West Point, N.Y., Nov. 5.—(P)—Army's loaded lineages marched relentlessly toward the conclusion of an all-victorious football season Saturday, trampling previously unbeaten Fordham into the cold, wet turf of Mitchie Stadium, 35-0.

Arnold Galiffa uncorked four touchdowns passes. The Cinderella team from New York's Rose Hill, fired with the enthusiasm born of four impressive triumphs, never posed a serious threat but it made life miserable for the cadets for 26 minutes and four seconds. Then the roll fell in.

Turned back within the shadows of the goal post four times by fumbles, penalties and a Fordham line that battled like it was fighting for its life, Army finally broke the ice at 11:04 of the second period.

With less than four minutes, Galiffa hurled three touchdown passes and Army went to rest at half time with a 21-0 lead.

Army's Bobby Vinson took the second half kickoff on his eight and rambled 92 yards to the end zone but one of the frequent penalties nullified the score and set Army back to its own 45.

Calumet's Coaltown wears piano cloth under his shoes to lessen the stains of the track surface when he's running.

BOWLING FOR EVERYBODY

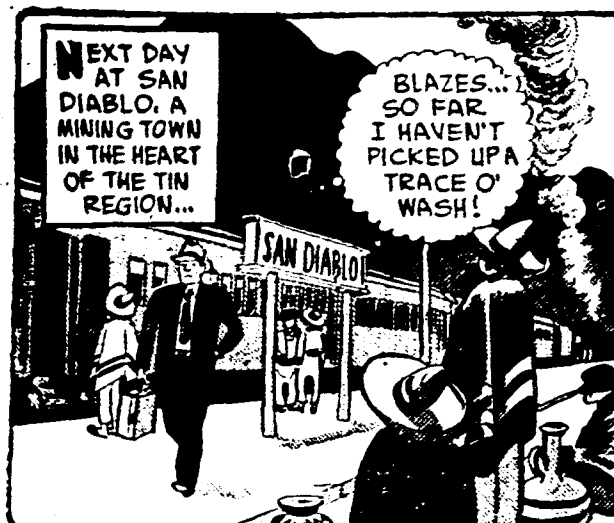

Technical Experts: NED DAY and MILTON RAYMER, in cooperation with the National Bowling Council

NO. 5 — THE MOTION

The delivery in bowling is not a throw or a pitch. Your body sets up forward momentum for the ball as you approach the foul line (1). Then your arm carries the momentum through to the ball as it swings forward naturally. You neither throw nor push. You simply set the ball in motion. The critical movement in your delivery is the forward swing where your arm picks up the momentum from your body and carries it through to the ball (2). This is the part of the delivery that needs most attention and practice. To get the feel of this swing the next installment will describe a preliminary exercise designed to help you build or improve your delivery. (For a complete set of 3 handbooks on bowling fundamentals, send 25 cents to "BOWLING," care of this newspaper.)

METEOR IS LIGHT FROM METEORITE

Los Angeles.—(P)—What's the difference between a meteor and a meteorite? Few people know, says Dr. Frederick C. Leonard, University of California astronomer.

A meteor is the luminosity you see when a meteorite hits the earth's atmosphere and gets hot from friction that it becomes incandescent, he says. Most people call it a falling or shooting star.

A meteorite is the solid body itself. There are two kinds: those that last long enough to hit the earth and those that probably are scraps of old planets and those that burn up before they can hit the earth. They're probably comet-tailings.

BEEF BORER RETURNS TO ATTACK
 Davis, Calif.—(P)—Since 1905 the sugar beet crown borer has been content to eat weeds. That was the last year it bothered sugar beets in California—until 1949, when the little moth rediscovered its fondness for beets, spinach and broccoli. It mangles the stems and tops.

Why it stuck to weeds for 44 years is a mystery. But Prof. William H. began to die and soon had uncovered. University of California ended one prowler.

DETECTIVES DIG UP PRISONER
 Chicago.—(P)—Detective work, like mining, requires a bit of digging. Take the case of the shadowy figure reported in Fred Banash's drug store on a dark fall night. Police searched the building and found nobody. Then Officers Arthur Swenson and Stephen Palmer took a look at the coal bin. They saw a shoe.

The CAMEO

By Virginia Teale Copyright, 1949, NEA SERVICE, INC.

THE STORY: A valuable cameo in the possession of Nell O'Neill has for an undisclosed reason been turned over to Martin Falter, a Russian collector. Calling on Falter's place, they find him out, but later they see him in company with Tom O'Neill, Nell's husband. Nell and Yakov, meanwhile, go to the Three Wishes Shop to see the cameo collection of Hagar Blair.

VI
 ANDREY YAKOV was Tom O'Neill's latest trophy for his creative people collection. He had met Yakov at the local art gallery and had borne him home to exhibit to Nell and the pseudo-Bonhemians and artists who usually were clustered around the O'Neill liquor cabinet. The bold oils Yakov had shown as his had been slavishly received by Tom and his satellites.

Yakov turned his head slightly and smiled at Nell.

"I have heard from many people about this wonderful warm coast where one could work congenially among fellow artists. His narrow mustache curved genially. "Like you and your husband. You were of the ballet, were you not?"

"Not exactly. I did a kind of interpretive dancing. American, you know."

"But your mother? She was a Russian ballerina?"

"How did you know that?"

"Did you not tell me? Or our good Tom, perhaps?"

"Oh, I guess it was Tom."

Her mother's talents were the one thing she'd been able to throw back at him when he jeered at Nell's dancing years. He'd said, of course, that he didn't believe her story, but evidently that hadn't prevented him from raving to Yakov about it. Perversely, now, Nell felt cheated. She had looked forward to making quite a fabulous tale out of it.

Andrey interrupted her thoughts: tomologist who is working on the problem, thinks it may have switched to beets again because the 1949 crop was planted later than usual and attracted the larvae just at the right time.

The little moths live only a month, but each one lays a thousand eggs, he reports.

"Nothing's broken," he announced. Hagar moved backward, stooped and retrieved the box.

"May I look now, if you please?" Yakov extended his hand.

Arnold looked confused. With an almost mechanical gesture, Arnold placed the pin in Andrey Yakov's palm.

Stephanie stepped forward with a gesture of protest. Yakov's eyes challenged her, she paused, and he deliberately turned his back on her and bent over the jewel he held.

Nell grasped his elbow and whispered urgently: "That's it! That's my cameo!"

Arnold scrambled to his feet. "I heard you, Nell O'Neill. You're lying—that cameo belongs to Martin Falter."

She whirled on him with a venomous glance: "It belongs to me!"

"But am going to buy it," Hagar interrupted. "So, it's as good as mine."

WHEN Yakov gave Nell an encouraging nod, she drew herself up to her full height and said: "It's my cameo. I may sell it, or I may not. And, if I sell it, there are several interested buyers."

Arnold Pfeffer, with catlike swiftness, snatched the cameo out of Yakov's open hand. His eyes flashed defiance above his trembling chin and he darted over to stand behind Hagar.

She reached around and gave him the box.

Yakov's first movement was an involuntary one of pursuit, but he seemed to change his mind and now stood quietly.

"We must decide who is the owner before we decide who will be the buyer. I am speaking frankly, Miss Blair, when I say that I intend to be the buyer!"

"No!" The word came explosively from Stephanie.

Yakov turned to her with an attitude of polite interest: "The young lady says 'no'?"

Hagar gave him a triumphant smirk. "The young lady says 'no.' And the old lady says 'no.' The cameo has been offered to me at a price. I have an option on it, you might say."

District Officers Visit Carrollton Rebekah Lodge

Carrollton—Mrs. Blanche Smock of Roodhouse, the district president, made her official visit to Carrollton Rebekah Lodge Thursday evening. Elective officers accompanying her were Mrs. Tina Thuet of Palmyra, vice president; Mrs. Nona Wayman, Jerseyville, warder; Mrs. Julia Anthony, Roodhouse, secretary; Mrs. Thelma Bell, Carrollton, treasurer, and Miss Eunice Bell, Carrollton, junior past president. Several past presidents and appointive officers were also present as well as guests from other lodges in the district and Meredosia.

The district president and her elective officers were presented to Mrs. Dorothy Brook, noble grand, by Mrs. Mildred Williams.

The special program for the evening included a vocal solo by Mrs. Edith Farnbach, with Miss Nita Ford as accompanist. Miss Kathleen Varble played a piano solo, and Mrs. J. F. Hubbard read an original poem of welcome to the visiting officers.

To Name M'Murray Chest Drive Queen After '49 Canvas

Candidates for Queen of the Campaign Chest drive have been selected by MacMurray College classes. The campaign for the Queen will be held on the campus Nov. 8, 9, and 10, with donations of money counting as votes for the candidates.

The senior class candidate is Pat Miller of Rushville, the juniors have chosen Marilyn McGinnis of Appleton, Wis.; the sophomores, Pat Parsons of Potomac, Ill.; and the freshmen, Nedra Fleming of Parsons, Kansas.

The winner of the contest will be announced at the conclusion of the campaign, November 17. The money collected by the drive goes to a number of charity organizations. One of these is the World Student Service Fund, which helps students all over the world. Last year MacMurray students' donations were sent to the University of Salonika in Greece.

The Foster Parents Plan also receives part of the drive money. Children the world over are given aid by this independent relief organization, regardless of race, creed, or nationality. Since 1947 money from MacMurray has been given to a French girl.

The collection is used to send food parcels through CARE as well as relief through the American Friends Service Committee. In addition the A. F. S. C. strives to reconcile friendships between the nations of the world.

MacMurray is a pioneer in the field of helping to support the United Negro College Fund, with money from the Community Chest Drive. Some of the collection is donated to the Morgan County Gold Star fund, for children whose fathers died in World War II.

New York Civic Opera To Give 'Carmen' Here

Jacksonville's 1949 classic music season will be well under way with the appearance Monday, Nov. 21, of Bizet's colorful masterpiece, "Carmen," at the School for the Deaf auditorium. The performance, by the New York Civic Opera, will be under the auspices of the Optimist club.

Known as one of the country's outstanding operatic organizations, the New York Civic Opera has been making annual cross-country tours under the guidance of William Reutemann in order to bring this type of music to the formerly neglected smaller cities.

"That the country at large is becoming more and more conscious of the classics can be seen by the constant success of each succeeding year," said Mr. Reutemann.

"When the organization was first started, it was only the very largest cities that were given an opportunity to enjoy the works of the old masters. But today the general public is as familiar with 'Carmen' as those fortunate who have tickets to the big opera houses of New York, Philadelphia, Boston, Chicago and San Francisco."

The company will present an exact replica of the production as it appeared in these cities. There are 75 members in the cast, which includes principals, chorus, a beautiful ballet and a full symphony orchestra. Each artist is a seasoned singer with years of experience on the operatic stage.

In order that all may see the performance, the Optimist club has arranged to bring it here at a price within the means of everyone. Advance sale of tickets has been arranged and can be had through members of the ticket committee headed by William Townsend and consisting of Merle Wade, Ralph Heiss and Heike Rust. They are also on sale at the Music Album on the west side of the square, and mail orders too will be accepted.

C., and as director of the Office of Foreign Relief and Rehabilitation Operations in North Africa.

Mr. Hoehler has also lectured on welfare administration at the University of Chicago and has acted as consultant for the U. S. Children's Bureau. Before taking his present appointment in Illinois, Mrs. Hoehler was director of the Division of Displaced Persons of the United Nations Relief and Rehabilitation Administration.

Glasgow Native Expires Oct. 30 In California

Glasgow—Word has been received here of the death of Mrs. Ollie B. Young, a native of Glasgow, which occurred Sunday, Oct. 30, at 7:30 p.m. She died at Foster hospital in Ventura, Calif., where she had been a patient for about a week after suffering a stroke at her home there. She was 80 years old.

Funeral services were held at Ventura Tuesday afternoon and another brief service at Exeter, Calif., on Wednesday. Burial was made in Exeter cemetery by the side of her husband, A. B. Young, who died several years ago.

The deceased, a daughter of the late Samuel and Margaret Hanback of Glasgow, is survived by one sister, Mrs. J. B. Hazeltine of Glasgow, one brother, Albert Hanback of near Patterson, and other more distant relatives.

Mr. and Mrs. Young, both well-known former residents of Glasgow, had lived in California for the past 50 years.

At Mr. and Mrs. William Cunningham, the latter a niece of the deceased, arrived back in Glasgow Saturday from Ventura, where they had been called by Mrs. Young's serious illness. They remained there for the funeral services Tuesday.

Family Night Held By Caritas Lodge Thursday Night

Family supper night was observed by Caritas Rebekah lodge, No. 625, Thursday evening at the I.O.O.F. hall on West State street. Over 100 members and friends enjoyed a potluck supper at 6:30. The invocation was given by Rev. John Collins.

The program consisted of a number of accordion numbers by Dorothy Murphy and a humorous skit entitled "You May Stay After School." Mrs. Maude Foote took the part of the teacher and Mrs. Maude Meyer represented the school board. The school children were Mrs. Margaret Tayman, Mrs. Ann Riegan, Mrs. Maxine Fairfield, Mrs. Alta Hungerford, Mrs. Mae Clayton and Helen Wilkinson.

The regular lodge session followed the program at which time plans were made for a bake sale and bazaar to be held Saturday, Nov. 26.

Social Events

At the regular monthly meeting of the Beta Sigma Phi City Council, held Friday at 6:30 p.m. in Hamilton's private dining room, the group voted to donate to the Community Chest fund, and Miss Verna Butcher was named chairman of the scrap book. She succeeds Mrs. John May.

Crystal vases of yellow mums and roses adorned the tables, arranged by members of Xi Alpha Upsilon Chapter.

The Council meetings are held the first Friday of each month with a dinner at Hamilton's, and the chapter represented is responsible for table decorations. These are Gamma, Omega, Zeta Beta, Xi Alpha Upsilon, Xi Lambda and Zeta Chapter of Nu Phi Mu, a junior affiliate of Beta Sigma Phi.

Mrs. Don Qu, president, held the business session and led group repetitions of the rituals. Mrs. Ralph Withee, Jr., read the secretary's report, and Mrs. Qu read the treasurer's report in the absence of Mrs. Byron Smith.

The next meeting will be held Dec. 2 with Council members of Xi Lambda Chapter in charge of decorations. A gift exchange will be held.
